Storm Hits Phones

200 telephones were out of order in Hancock this week after the morning electrical storm according to Conway group manager for Bell Telephone in Gulf-

port. More than half of the telephones in the Logtown area of 100 of Logtown's 140 telephones were out. Most were restored by Wednesday.

Watts said the company sustained much more damage there last Thursday when lightning knocked out two cross arms and several transformers, interrupting service to about 50 homes for 15 minutes.

Mike Necaise, serviceman for Mississippi Power Co., reported no damage to lines and no service calls after the pre-dawn storm Wednesday.

Mrs. Clarence Batey, whose husband operates a service station on U. S. 90 reported the newly installed blinking light at 90 and Nicholson Avenue was stopped by lightning in last Friday's electrical storm. She said highway officials from Hattiesburg repaired it Monday and said lightning struck the roadside fuse box.

Santa Rosa Wife Shot

Two small children viewed the pistol-wounding of their mother, by their father, Isaac D. Harp, of Santa Rosa last Thursday.

Harp, 27, has been released from Hancock County jail under \$1,500 appearance bond. Mrs. Sue Harp, 29, a native of Honolulu, Hawaii, suffered a shattered bone in her right arm when she was shot at close range by a .45 caliber automatic. The shooting occurred, according to Sheriff Sylvan Ladner, about 9:30 p.m. Thursday at the Harp residence in Santa Rosa.

After taking his wife to Crosby Memorial Hospital, Picaune, Harp surrendered to Picaune police. He was returned to Bay St. Louis under custody of Sheriff Ladner and Deputy Carl Garcia. A preliminary hearing will be Aug. 6 before Justice of the Peace C. W. Brunson at Aaron Academy on the charge of assault and battery with intent to kill.

Mrs. Harp is reported in satisfactory condition and was released from the hospital Saturday.

St. Clare's Schedules Gala Fair Next Weekend

Three big days are planned for the St. Clare's Church Fair, Friday, Saturday and Sunday, July 31 - Aug. 2, announced Sterling Balaski, general chairman for the event.

Final plans were laid Wednesday night when the committee met with Balaski and co-chairmen Carlos Lozano Jr., Melvin Villere, and James DeBlanc. A fish fry and games at the parish hall will open the festivities Friday. Saturday the fair begins and will be climaxed Sunday night when a 14-foot speed hull and trailer; a lot; and a Wellbuilt range will be awarded as prizes.

Named to committees are:

Drinks: Lloyd Bourgeois, Peter Noto, and Garfield Ladner; Merry-go-round: Mrs. Lloyd Bourgeois; plant: Mrs. David Markey and Mrs. Maurice Martin; maintenance: Alex Hunter and Alfred Smith; fish fry: Henry Monti, John Auderer Jr., Lloyd Bourgeois, David Markey and Sam Blanchard.

The monthly publication of the Business Research Station at Mississippi State University showed an increase of 17 per cent over the corresponding period last year in the Biloxi-Gulfport district.

Activity varied from the 21 per cent increase here and - Biloxi to a four per cent decrease at Pass Christian. Gulfport and Picaune had 15 per cent increases.

The district as a whole stood at 264 per cent of the 1947-49 average recorded on the station's index. Individual areas were Biloxi, 275 per cent; Gulfport, 264 per cent; Bay St. Louis, 263 per cent; Pass Christian, 180 per cent; and Picaune, 209 per cent.

SATISFIED AFTER COMPROMISE—Composed after an angry dispute over election manager nominations for Beat 5, Democratic Committeeman Sidney Bourgeois, seated at right, listens as are Sylvan J. Ladner, R. G. Hubbard Jr., and Sam Favre Jr.

Four Announce This Week

WALTER J. PHILLIPS

Four additional candidates are making their formal announcements this week as the political pace approaches a peak in campaigning for the Aug. 4 Democratic primary.

Walter J. Phillips, Bay St. Louis attorney and member of the House of Representatives for the last eight years, is seeking an unprecedented third term.

Arthur (Pat) Garcia, city policeman for the last 10 years who is on a leave of absence to campaign, is running for constable from Beat 5.

Jack Lott of Kiln is a candidate for the board of supervisors from Beat 4. He is president of the board now.

Announcing for the 40th district seat in the State Senate is C. E. Rouse of Poplarville, school teacher for 26 years and principal of Home High in Stone County for the last two years.

Inadvertently omitted from the story on those announcing last week was Henry J. Doussan, Bay resident and insurance agent and realtor, who is running for Justice of the Peace from Beat 5.

Mrs. Garner's Arm is Broken In Car Mishap

Mrs. Tom Garner of North Beach Blvd. suffered a broken arm and a cut on the knee Friday morning when the 1959 car her husband was driving was struck on the right side by a 1954 auto driven by Manuel Curry, Negro.

The accident occurred at the corner of Washington and Third Streets. As Garner was driving east on Washington, Curry ran a stop sign while traveling north on Third. The Garner auto was knocked across the intersection, uprooting a street marker and knocking over a 10 inch corner post to a fence bordering a lawn.

Curry pleaded guilty of running a stop sign in Mayor's Court shortly after the accident, and was fined \$5 for reckless driving.

The accident occurred at the corner of Washington and Third Streets. As Garner was driving east on Washington, Curry ran a stop sign while traveling north on Third. The Garner auto was knocked across the intersection, uprooting a street marker and knocking over a 10 inch corner post to a fence bordering a lawn.

Mishaps Dot Area in Week

Five non-fatal wrecks, two on U. S. 90, were reported in the county during the past week by the Highway Patrol, sheriff's office and city police.

A 1957 Ford, driven by Edward A. Tyler of Roseville, Ga., crashed head-on into a 1955 Chevrolet panel truck, driven by Bernard A. Blaise of Gulfport, when Blaise attempted a left turn at the Waveland Avenue-U. S. 90 intersection.

Deputy Sheriff Carl Garcia said Tyler was traveling east when the accident occurred at 5:05 p.m. Friday. His car was declared a total loss, while the Blaise truck received little damage, said Garcia.

Mrs. D. A. Brown of Chattanooga, Tenn., a passenger in the Tyler car, was injured slightly, according to Garcia.

Two cars collided at 7:30 Saturday at U. S. 90 and Carroll Avenue, according to Highway Patrolmen Cruthirds and Allen, investigating officers.

A car driven by Jay Warner, Bay St. Louis, was traveling north on Carroll Avenue and entered the highway in the path of a westbound car driven by the Rev. Clyde Casey Williams of Irvin, Texas, officers said. Both vehicles were damaged about \$250.

Mrs. Frankie Hanecker was convicted of failing to yield right of way Monday by Justice of the Peace Nolan Ladner after a mishap at Cue and Main Streets at 10 a.m. Friday. Deputy Garcia said Mrs. Hanecker attempted to pull her 1959 model auto onto Main from Cue and collided with a 1938 model operated by Leonie W. Fricke. He estimated damage at \$150.

An out of court settlement was reached by Eugene J. Garcia and Paul Egloff after the Egloff auto hit the rear of the Garcia auto at 5:20 a.m. Sunday morning.

Mike Graham, 18, of Waveland, was fined \$10 and sentenced to 10 days, suspended on good behavior, in Mayor's Court Wednesday after being charged with speeding at 70 miles an hour in a 50-mile zone Tuesday night.

Dissension Marks Democrats' Meet

Secret meetings, dissension among the members and a petition which threatened the legality of the Hancock County Circuit Clerk's race turned Monday's Democratic Executive Committee session into a stormy and lengthy affair.

The meeting began on an explosive note with the unexpected resignation of Committee Secretary Austin Baxter of Beat 1. Questioned by a reporter, he said he had resigned for "personal reasons" and would make no statement.

Chairman Jim Kelly, currently a candidate for supervisor from Beat 1, was forced to step down from the board since state law provides that no committee member may be a candidate for office.

Nominations of Elliott Casanova Jr. and Lemuel Miller to fill the vacancies in Beat 1 by remaining Beat 1 member, H. S. Davis Sr., were accepted.

Douglas Bourgeois was elected temporary chairman and Joe Colson, temporary secretary. Both are from Beat 5.

Following two secret sessions, which were allegedly held so committee members might have unhampered discussion, and a telephone call to Attorney General Joe Patterson, the committee denied a petition presented by Joe Benvenuti for Robert M. Solomon.

Benvenuti contended Solomon had filed his petition to run for Circuit Clerk with Clerk of Courts A. C. Mitchell within the proper time limit, but had not paid his \$2.50 fee with Baxter, then committee secretary, 60 days before the August primary.

Solomon had tried to pay the fee, but Baxter said he couldn't accept it because it was too late and told Solomon the fee had to be paid 60 days before Aug. 4.

Solomon's petition would have been accepted.

City Fathers Eye Planning

Bay St. Louis Commission Council will meet tonight with Robert S. Bateman, city planning consultant from Montgomery, Ala., at the Gulf Palms in Long Beach. The meeting will also include councils from Pass Christian and Long Beach.

Council was to meet this afternoon with a representative of Urban Consultants Company. Mayor John A. Scafield said they will discuss in the two meetings plans and costs of a survey of Bay St. Louis by city planning consultants.

Commissioner Warren Traub added that a firm has not been selected to make the survey and the job would have to be put out to bids.

Traub said the decision to study the feasibility of city planning arose after complaints over lack of zoning, brought to a head by proposals to erect a motel at U. S. 90 and the beach.

Neighboring property owners complained that the motel would be a public nuisance and secured a lawyer and the builder discarded his plans.

"A town should be zoned in the beginning," Traub said, "but we started so long ago that didn't even know about it then. He said the program would help Bay St. Louis by making long range growth plans for the future."

show, Benvenuti said, that the fee had to be paid only before the committee meets, not 60 days before the primary and quoted Sec. 3122 of the Mississippi Code to that effect.

He told the committee, that under state law, it should have met and set the fees of the candidates before its meeting Tuesday. He added that he knew of no time the committee had met to fix fees.

Attorney General Patterson told the committee he had no opinion on the issue when questioned earlier by Baxter, Bourgeois said.

Complaining that they couldn't hear because of the noisy courtroom, the committeemen moved into the adjacent jury room. A reporter who followed was told by Chairman Bourgeois "this is a private discussion." Sidney Bourgeois, seconded by Victor Dedeaux, then moved for an executive session.

The committee remained closed from 10:06 until 10:12 a.m. when Colson came out, reportedly to telephone Patterson.

Members drifted back into the courtroom and mingled informally with the 50 odd spectators. When Colson returned, he reported Patterson had referred him to an assistant, J. R. Griffin, who cited Sec. 3121 of the Code. Griffin said the department had not received Baxter's earlier letter, even though the committee had the receipt for the letter.

Benvenuti warned that if the committee had erroneously excluded Solomon from the ballot, he would bring suit and have the Circuit Clerk's election voided and another election declared with Solomon's name on the ballot.

The committee returned to the jury room for another secret session. Remaining closed for approximately three minutes, it returned and cast a unanimous vote re-accepting Solomon's petition.

School Board Approves Budget, Ups Insurance

The County School Board at a recessed meeting Monday approved budget estimates for the 1959-60 session, voted \$71,500 additional insurance on North Central High School and moved ahead with plans for expansion at Gulfview School.

The insurance motion was offered by S. P. Powell. To be taken from Hancock Insurance Agency, it will equalize policies previously taken out with Merchants Insurance Agency and Hancock, according to Superintendent E. E. Breland.

Approval came after Chairman Mrs. C. C. McDonald stated she was not satisfied with present coverage on North Central. She said the board could afford to invest in additional insurance since the policies on the other county school buildings, not now in use, would expire in 1960. This insurance will be assumed by the individual groups assigned to the buildings, she said.

Charles Murphy suggested representatives of both agencies might attend a future board meeting to draw up an insurance schedule. He explained that under this form of coverage, neither company would have complete coverage on a separate piece of school property.

The new budget, accepted on Murphy's motion, calls for expenditures of \$177,674.78 from minimum program funds, \$13,858.61 from general funds, \$46,157.23 from district maintenance and \$409.93 from transportation for new equipment.

On the advice of the attorney general's office and the State Education Finance Commission, it was decided to proceed with a survey of pupil population in the Lakeshore area to comply with requirements of the commission for approval of expenditures of a two-class-room addition there.

School bus drivers for the coming year which begins Aug. 28 were approved. Named for the white schools were Abe Williams, George O'Farrell, Mrs. Clarence Moran, Lemuel Miller, Frank Moran, Carl Moran, John Ladner, Donald Necaise, August Ladner, Robert Lee, Mrs. Alice Blackwell, Rufus Dawsey, Joe Harte, Loren Necaise, Dudley Ladner, Wayne Necaise and substitutes Carl Moran Jr., J. D. Ladner, Howard Necaise and J. K. Lott. For Negro schools will be Dan Frederick, Oris Harris and Leon Vinc with E. W. Evans Jr. and Louis Alvin Burton, substitutes. Several other routes were held over.

After consultation with the attorney general, Breland advised that salaries of Dedeaux lunchroom employees who had applied for back salary payment could be paid upon disposal of

To Mail Labor Survey Next Week

Labor survey forms will be mailed countywide next week, according to A. G. Dantagnan, Hancock County industrial committee chairman.

Using the combined mailing lists of Coast Electric and Mississippi Power and Light Co., the committee hopes to reach every home in the county, Dantagnan said.

Little Hits Board Stand On Finances

Edgar Little, recently resigned administrator of Hancock County Hospital, last Friday complained that the hospital board had acted unfairly in attributing to him several discrepancies in its finances.

If the board had not been so anxious to relieve him of his duties as soon as he submitted his resignation, Little said he would have been able to put his books in order before leaving. The ex-administrator wrote his letter of resignation June 10, asked that it be effective July 15, but the board accepted it at a called meeting June 15 and relieved him the next day.

The matter of finances came up at the board's last meeting, July 14, and was reported in the Echo. Little said he was talking with several members of the board about the allegations but doubted that he would appear at a formal session.

Going over the comments, item by item, he said if petty cash had been checked the \$2.51 payment to W. A. McDonald would have been noted, unless that was something that came in later. As for advertising in two Northern newspapers for nurses, Little said both papers called him asking for authorization to advertise which he approved on condition tear sheets were sent on each insertion. While he was billed time and again, he never received a tear sheet, he said, adding, "I was not about to pay them until I saw what was in the paper."

He said the \$21.88 item for filet mignon to entertain the Southeast Mississippi Council of Hospital Administrators was his and he will see that the board "gets its money." Regarding the board's raised eyebrow over the telephone bill, he noted it was for June calls and did not know how much of it was incurred while he was there.

It was after conference with two board members that he proceeded to consolidate washing of uniforms with the linen supplier at Gulfport, Little said respecting a bill for laundry bill under question. "If I'm not mistaken, that item was for uniforms," he added, "and I do not feel I'm responsible for cleaning of the uniforms." He observed that such a matter normally comes under the jurisdiction of the administrator if he has the authority to act.

The metal drum from Superior Supply Co., Little said, is purely personal. He explained that when the first bill came up, he called the firm to ask that it be billed to him. The change was never made.

The Qualities Involved

The Philadelphia Bulletin has as a slogan "Nearly Everybody Reads The Bulletin." "Nearly Every Candidate" promises honest, efficient and progressive government. "Nearly Every Voter", without a finger in the pie, wants honest, efficient and progressive government, though their idea of what is progressive and sometimes, honest, may differ.

To this editor progress means growth, financial and otherwise, and usually means higher taxes until the growth is attained. Honest means more than not taking a dollar bill someone accidentally left on the table or than not accepting a bribe, direct or indirect. It includes treating political and personal opponents alike in all official actions, though most of us can't help but be swayed some by personal feelings.

To the Echo, another quality we like in office holders, is candidness and forthrightness where official acts, records and meetings are involved. From this as a criteria, we are likely to judge honesty.

The second paragraph of an editorial entitled Fee System Falls appearing in this paper July 9, 1959, starts: "Two elective offices give simple examples of why the fee system has been discarded in most other states." To correct any misinterpretation, the Echo opposes the fee system of paying public officials in any position. The fee system applied to positions having to do with law enforcement merely aggravates an already bad system.

All along Beach Boulevard various camps have placed school zone signs in the middle of the road in an effort to slow traffic and thereby protect their campers. Aside from any question of their legal right to do so, we wonder if these signs in the middle of a narrow road do not constitute a greater danger than that the camps are trying to eliminate?

Difficulties in obtaining a contract for the construction of seven mobile homes for employees of the Gulf Refining Co. have delayed the project, according to a statement made by the company. The homes were opened last week in Houston, Tex.

Letters to the Editor

Editor, Sea Coast Echo:
Several letters to the editor have pointed out that the Echo is hard to beat when it comes to wrapping fish.

We appreciate the fact that we are doing somebody some good, and while on the subject, we would like to see a better paper for eating bottled crabs.

H. E. E.
New Orleans, La.

Editor, Sea Coast Echo:
The facts from One Who Knows It, Mrs. Theo Tudury, chairman of Parks and Playgrounds, would like the general public to know the real reasons why the City of Bay St. Louis does not have a boat landing or a ramp for launching pleasure boats for sports and fishing fans.

First we do not have a strip of land. Second we can't get easements from the people that own the land and you certainly can't go on other people's property and do as you please. And whether the public knows it or not the people living on the beach have property rights. They own the land.

Now if you know anyone willing to give us the easements, free of taxes of course, I promise you will have the ramp at once, because the city fathers and the honorable Board of Supervisors granted the Park and Playground Commission this request three years ago.

Last year I was happy to report to the board that we had found a place. Mrs. Frank I teller and son, Jimmy, of North Beach granted us easements in front of their property and had talked the neighbors into doing the same. This location is a natural. The county engineer, Louis Mobley, and myself made a survey, finding a roadbed of shells, a flowing well, and a sand beach. With very little money and country and city labor, this place could have been a wonderful asset to the community, but someone advised the neighbors against it and the deal is through.

Since then we haven't found any other place, we have tried. The city fathers have tried. The honorable Board of Supervisors has tried. That's why we don't have a ramp.

Sincerely,
Mrs. Theo Tudury

WHY DO I SEEK THIS OFFICE?
YOU as a Voter Deserve a Frank, Honest Answer to this Question.

1. I want this community to be properly developed for the benefit of ALL.
2. I want to replace slipshod administration methods with sound business sense.
3. I want to develop more fully our industrial and tourist potentialities.
4. I want to put us on a positive road of cooperative thinking, planning, and GO.
5. I want to tread, where no one else will, on 'benevolent' monopoly of office.
6. I want to help the people who helped me to achieve a successful business.

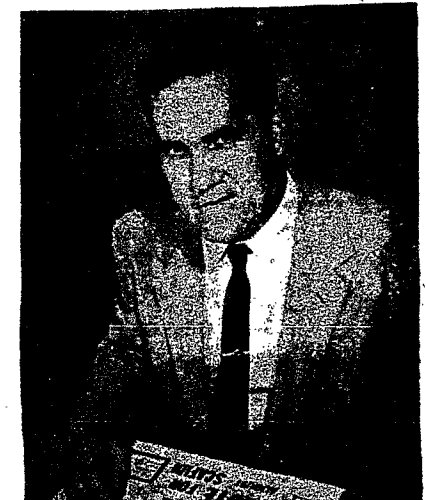

August J. Scafidi

FOR
BEAT 5 SUPERVISOR

WHAT DOES MY OPPOSITION SAY?

1. Politics is reserved for professionals ---not for honest, clean businessmen.
2. So-called 'good government' support can not be given to 'non-machine' newcomers.
3. Wasteful shortcomings of previous 'do-nothing' years will not yield even to my 20 years of business know-how.
4. This venture into politics will hurt my business, despite what I do for you.
5. A business-like, planned program has no precedent here, so it can't be true.
6. An openly-avowed, independent business man has never won public office here.

YOU AS A THINKING VOTER SHOULD...

1. Recognize and Support my Honest Effort to Better your Community.
2. Help me Break Existing Monopolies Holding Offices only for Favorites.
3. Back me in Defying Warnings that I Should Not Try to be a Candidate.
4. Work with me to Assure Yourself of maximum, business-wise Returns on YOUR TAX DOLLAR--Returns you have Not Received in previous wasteful years.
5. Weigh Carefully Opposing Propaganda meant to Cover Up these many years of Shortcomings by Attacks on me.
6. STAND AND BE COUNTED---VOTING FOR WHAT YOU KNOW IS RIGHT!

RIGHT is a MIGHTY VOTE for AUGUST J. SCAFIDI as BEAT 5 SUPERVISOR on AUGUST 4TH

Statement of August J. Scafidi

HERE IS MY ANSWER WHY...
I know it is natural for you to ask WHY I should go out of my way to run for a public office when I seemingly have everything to lose and nothing to gain for my trouble. The answer is quite simple. Having been blessed with good health and a large, happy family, plus good returns from a successful business over the past twenty years, I feel a strong desire as a native son to repay you people who have been so kind to me and mine in the best way I know--to put my business experience to work for you in the capacity of Beat 5 Supervisor to assure confidence and progress instead of deterioration in the years ahead.

MONETARY REWARD IS OBVIOUSLY NOT MY OBJECT...I SINCERELY WISH TO DISCHARGE MY DUTIES FOR THE GREATEST GOOD OF THE GREATEST NUMBER TO REPAY IN SOME SMALL MEASURE THOSE I AM BEHOLDEN TO.

SHERIFF

FRED CURET IS A COMBAT VETERAN

He enlisted in the U.S. Marine Corps in 1939 and spent all of World War II overseas in the Pacific Theatre, and for over three years endured the hardships of the Japanese prison camp.

After nine years service he was honorable discharged as a master sergeant.

He has been active in veteran organizations and belongs to the American Legion, Veterans of Foreign Wars and Disabled Veterans of America.

He understands the problems sometimes peculiar to veterans and their families, as well as understanding those now serving in the Armed Forces.

His Service Record and his Law Enforcement Experience are second to no candidate.

4 County Youths Selected For Conservation School

Four youngsters from Hancock County have been selected to attend the annual Boys Conservation School at Roosevelt State Park, near Morton, July 27-31.

Each boy who attends the school is sponsored by some local club, business, or individual who defrays his expenses.

The Hancock County boys, their parents, and sponsors are: Carl Moran, Jr., son of Mr. and Mrs. Carl Moran, Sr., sponsored by Hancock Bank, Bay St. Louis; Donald Koenen, son of Mr. and Mrs. Arthur Koenen, Kilm, sponsored by Mrs. W. Horace Williams, Bay St. Louis; Howard F. Simmons, Jr., son of Mr. and Mrs. Howard F. Simmons Sr.,

by the Mississippi Forestry Association, an organization of individuals and companies interested in wise use of the state's forest and related natural resources of soil and wildlife. One full day at the school is devoted to the study of each of these three phases of conservation.

Lectures and field work are combined to give the youngsters practical instruction in such subjects as tree planting, forest fire control, soil sampling and wildlife management.

Some 175 youngsters from about 60 of the state's hill counties attend the School each year. A similar school is held at Leroy Per y State Park for boys from the Delta and part-Delta counties.

LOOK WHAT **United** GAS IS DOING NOW

MOVING **GAS** BY automation

United Gas is using automation and remote control in many phases of natural gas production, transmission and distribution. The simple switch shown above, for example, uses microwave radio to open and close a regulator valve 70 miles away. Through the use of this type of automatic equipment natural gas is transferred from one large-diameter pipe line into another at the pressures and in the volumes required—entirely by remote control.

Automation makes daily operations more efficient... helps to hold down the rising cost of delivering gas to our customers.

Linda Auderer, Bride-Elect, Feted Sunday

The Misses Barbara Kidd, Peggy Kergosien and Vicky Fourt were hostesses at a miscellaneous shower Sunday afternoon at the parish hall of St. Clare's Church, Waveland, in compliment to Miss Linda Auderer, bride-elect of Thomas William Kidd.

The guest list numbered 80 and the honoree received many lovely presents. A pink and white color scheme was followed in the decorations and refreshments, paper carnations with a touch of green fern and silver medallions providing the background. A delicate pink umbrella was the centerpiece with small pink plastic umbrellas as favors.

The refreshment table was covered with a white cloth studied with pink and white carnations and a touch of fern. Soft drinks, punch, sandwiches and cakes frosted in white with silver balls and pink and white mints were served.

Requests by Virgil Stockstill, candidate for supervisor in Beat 4, and Mrs. Anne Blakeney, candidate for state auditor, to remove their names from the ballots were granted. Both stated personal reasons for withdrawing.

Sellers Shorts

By MRS. GLADYS SHAW

The rally turned out fine at the Sellers school grounds Saturday. The softball tournament Sunday was almost completed when rain stopped it, but they are planning to finish it later.

The people, especially the kids, got a big thrill of seeing Charles Sullivan, a candidate in the governor's race, be picked up by his private plane at the tournament Sunday.

A wedding reception will be held at Albert Lader's Saturday night for Lavern and Ella Faye Lader.

Elmer Ferguson, son of Mr. and Mrs. J. D. Ferguson of Ne-caise Crossing underwent surgery Monday morning at Poplarville hospital.

The Sellers community center will be opened Friday from 6 until 10 p.m., and Saturday from 4 to 10 p.m. It will also be opened Sunday from 1 to 5 p.m.

There will be a special meeting Monday night at the community center.

Mr. and Mrs. Jerry Shaw announce the birth of a daughter Monday. This is their second child and first daughter.

Some of the men in this community tried their skating ability Monday night. They were J. T. Smith, Troy Smith, Jack Shaw, Tommy Shaw and Roland Lader.

Girl Scout News

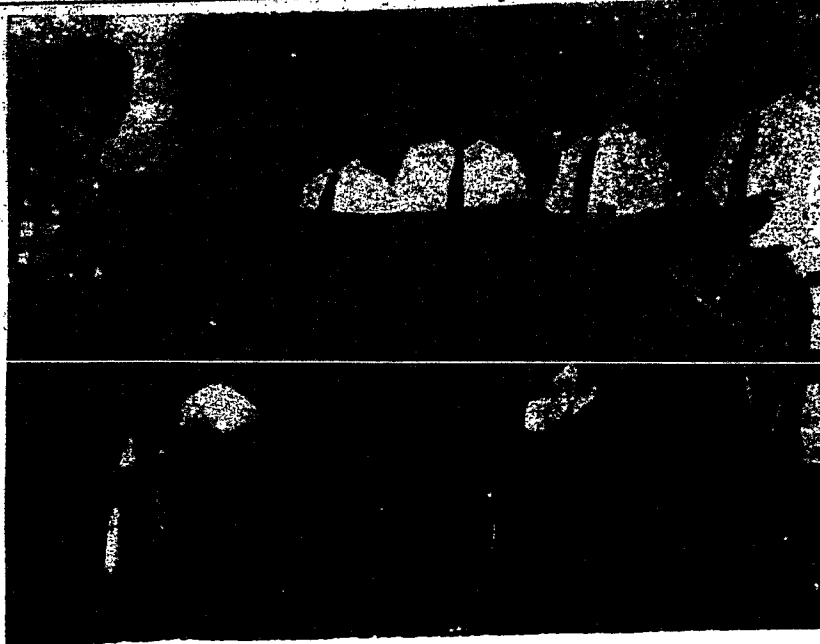

Live Oak Council and all its members welcome seven new members who have been attending the basic leadership course and will be group leaders this fall. They are Mrs. Irene Hodges, Mrs. Catherine McDonald of Pass Christian, Mrs. Theo Berry, Mrs. Arlene Stewart of Piquette, Mrs. Helen Metayer, Mrs. Dorothy Phillips and Miss Edith Traub of Bay St. Louis.

Assisting Mrs. C. C. McDonald Sr., volunteer trainer, with the course is Mrs. Phoebe Jones of the Gulfport scout office. The last meeting will be July 30 rather than today.

Special thanks go to Mrs. C. C. McDonald Sr. for her work in the Girl Scout organization. She has been a volunteer working member of Girl Scouts for the past seven years, and has served as finance chairman, neighborhood chairman and Live Oak Council president, a n d a member of the regional committee of Region #5.

Attending Live Oak Council board meeting last Wednesday in Gulfport were Mrs. James Ansley, Mrs. Francis Shippey and Mrs. C. C. McDonald Sr.

READY FOR VACATION?

These are multi-project months for most homemakers as they carry on regular indoor activities, add any number of exciting outdoor projects, and in most cases manage to get the family ready for a long awaited vacation.

But frequently it's that week just before vacation when summer becomes a bit too hectic, with too many extra things to be done and remembered.

The pressure of the busy pre-vacation week can be eased with a "vacation planning" list of things to be done all through the house. This may involve caring for plants and perishable foods, assembling a portable nursery and many others. Usually a list points up activities which can be handled in advance, leaving more time for last minute details.

Returned from the Colorado Springs Round-Up with a glowing report on her experiences and many happy memories. "Our last campfire will be first in my memories," she writes.

"Each of the 27 countries attending our Round-Up were represented by a flag and a girl in her native Girl Scout uniform. Each girl came forward gave her message of peace in her native tongue and then repeated it in English. She then put a piece of wood on the friendship fire. The sight was magnificent. We ended this campfire with the singing of the Round-Up Round. The next day each patrol leader got fagots from the fire to start a fire on Thinking Day Feb. 22, 1960, in our council."

Here are ideas for the homemaker who wants a happier vacation—and less last minute rush.

CARE FOR HOUSE PLANTS

While on vacation, let house plants take care of themselves this new and surprisingly simple way with transparent plastic film.

1. Group plants in a large cardboard box with sides a little higher than the plants. Place box in a well lighted but not sunny area, near a north window is desirable.

2. Water plants well using a soluble plant food in the water.

3. Cover the open top of the box with transparent film, using the 18-inch width if box is large. The wrap allows light to reach the plants, keeps dust from leaves, and soil stays moist for at least three weeks because of reduced evaporation.

PREPARE CAR KIT

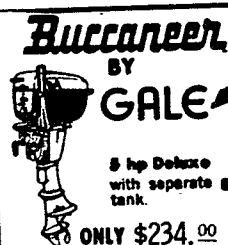

Long before summer travels begin, set up a "mother's helper" car kit—a small box or travel case will do. Once packed, keep the kit handy, always ready to pick up and take along. Items to have in case of small upsets include: First aid kit, bar of soap, wash cloth, comb, roll of transparent wrap, sewing needle, thread, assorted buttons, extra camera film, nibble foods (non-perishable), flashlight, extra batteries, extra toothbrushes, sun

lotion, safety pins.

If traveling with a baby or small child, add: baby's dishes and silver, sterile nipples and bottle, vitamin bottle and dropper, toys, special foods.

Each of baby's items should be individually and carefully wrapped in transparent film. The roll of plastic wrap included in the kit will lap covering, odor and moistureproof wrap for soiled diapers, and emergency "rubber" pants.

Agricultural Committee Elections Slated Aug. 6

Elections will be held throughout the county Aug. 6 to select an Agricultural Stabilization and Conservation committee for each agricultural community. It was announced today. To be chosen are a committee chairman, vice chairman, regular member and two alternates in each community.

County Delegates To 4-H Congress Return to Homes

Eight Hancock County youths have returned bringing honors from the Mississippi State 4-H Club Congress at Mississippi State University July 14-17.

Capturing first place in dairy judging were members of the Hancock County team, Charles Smith, Carl Moran, Joe Harrel, and George Hinton. Placing first in other events were: Charles Smith, in the cooperative business program demonstration and Carl Moran in the individual dairy demonstration.

Jacqueline Koenenn represented the county in clothing judging and the state dress review. Audrey Floore, entered canning; Donald Koenenn, timber estimation, Sal Geraci, electric demonstration.

The theme for the Congress, which over 1400 attended was Improving Family and Community Living. County delegates were accompanied by Mrs. Gloria C. Mauldin, home demonstration agent and John W. Smith, assistant county agent.

Fitzhugh Lee, ASC County committee chairman, said community elections will be followed by a county convention, where an ASC county committee will be elected. The chairman of each community election elected will be the community delegate to the county convention.

Farmers eligible to vote in the elections are all those who have an interest in a farm as owner, tenant, or share cropper. Each voter, likewise must be a participant in or be eligible to participate in at least one of the programs administered locally by the ASC committees.

Shouldn't Gone Fishin'

By DAVID WEBB

Fishing enthusiasts have thrown their hooks into the waters from the Pearl to Wolfe Rivers and all along the coast and have come up with very little this week. Frank Taconi, who operates a pier on the Beach told us this has been the worst week for fishing he has seen in years.

The only good thing we can say about a week such as this is it can only get better.

Despite the "depression", Little John Scaffie caught a pound and one-quarter white perch Sunday on Coward Bayou. He used a popping bug on a fly rod.

Tommy Hayward, 11-year-old son of Mr. and Mrs. John Hayward, caught 13 trout and a flounder last week off Torgerson's pier using shrimp for bait.

"Disgusting" is the word the truck drivers are using for it, the common practice of throwing stingrays, catfish and eels on bridges. They report that garage workers are sometimes poisoned by the stingray fin which has been lodged in a tire. The stingrays remain poisonous long after the fish is dead and can make a person pretty uncomfortable if cut by them.

We think it's much more sporting to throw an unwanted fish back in the drink. Even if he won't do any good there at least he won't be poisoning some unsuspecting garage worker.

J. Baltar Leads for Lipton Cup

Jack Baltar, by winning a first in one of Sunday's three races, retains the overall leadership of 29 competing expert skippers at Bay-Waveland Yacht Club. His yearly average is .929.

Leo Seal Jr. outpaced Bill Baltar who was followed by C. McDonald Jr. in the first race of the Lipton Eliminations. Shifting winds made for a tight second race with Bobby Boh ending up in first followed closely by Claude Kohler and Jack Gordon.

In the third race Jack Baltar battled fiercely to regain a lost lead, finally coming out on top followed by John McDonald and Bill Argus.

Winners of last week's Junior Lipton eliminations were Bill Watts, Kell Riess and Buddy Janvier. They will represent the club in the junior regatta this weekend in Biloxi.

Bay-Waveland schedules no races this weekend because of their joint sponsorship with the St. Stanislaus Sideline Club of an American Power Boat Sanction race Sunday afternoon.

50 Boats Due to Enter Inboard Regatta Sunday

Final plans for the St. Stanislaus Sideline Club - Bay-Waveland Yacht Club inboard power boat sanction race on Sunday were completed at a meeting Tuesday night.

Brother Constantius, representing the Sideline Club, this week released the racing schedule. Beginning at 1 p.m. the races will be run in two heats with five classes competing.

They are: 1 p.m. 44 c.c. service runabouts; 1:20, 48 c.c. hydros; 1:40, 135 c.c. hydros; 2 p.m., 266 c.c. hydros, 2:20, D and E service runabouts; 2:40, 44 c.c. service runabouts; 3 p.m., 48 c.c. hydros; 3:20, 135 c.c. hydros; 3:40, 266 c.c. hydros; and 4 p.m. D and E service runabouts. Marcrino Trellis, Yacht Club representative on the committee, said the schedule set up on 20 minute intervals between races will probably run behind, with the races after 5 p.m. instead of 4.

The race committee plans to have radio boats stationed in the bay to report any difficulty in the back stretch.

Ben Hill Jr. offered fire fighting equipment which will be stationed on the yacht club grounds during races.

Earl Ramond said he would furnish speakers and a sound truck. Other members are donating wire, ovens, ice boxes, snowball machines and food.

Wives of the Sideliners plan to make thousands of sandwiches while the men will be selling beverages and coffee.

Trellis said the New Orleans Power Boat Association will probably rope off the launching site and allow no one within that area except those working on or driving the boats.

Mayor John A. Scaffie said Wednesday morning that N. Beach Blvd. would be blocked off Sunday and only traffic traveling north would be allowed on the street. This he said, will permit parking on both sides of the street.

About 50 boats are expected to enter competition with several nationally known racers among them. Competitors, in addition to racing against themselves, will be racing against the clock to advance their national ratings.

A few of the boats and drivers slated to perform in the regatta

are, according to Carlos Lozano Jr.: Cherokee II, driven by Glenn Angel Chli, McConnell who is reported to be burning up the circuit this year; Annie, Roland Ghirardi; Flying Lady, Billy Barresi; Screaming Cator, Joe Siracusa, one of the top men from Morgan City, La.; Miss Nehi II, Tony Sansone; Miss Nehi III, E. Agrems; Miami Belle, Latarde; Miss Okay I, Latarde; Shake, Rattle and Roll, Bob Hamilton; Miami Belle II, Willie Ropp; Ginny, J. Paciera; Country Boy, John Siracusa; and Security by Milt Gagnon.

Proceeds of the race will go toward financing a \$6,000 improvement program for St. Stanislaus stadium. One side already has been equipped with steel bleachers. If the \$6,000 goal is reached soon the other side can be completed by football season. Trellis said Tuesday that the club has already taken in more than \$1,000 advertising on the program.

DISPENSER

No waiting or diluting. Maytag does both jobs for you. Just add concentrated bleach through dispenser opening; bleach remains in dispenser until washer has filled and washing action starts, and is automatically diluted before being introduced into the wash water. After washing action starts, bleach is added slowly to provide uniform bleaching action. Only Maytag provides this automatic delay and pre-dilution.

No half-hearted detergents. Modern detergents contain brightening agents which are destroyed by liquid bleach when bleach and detergents are added to wash water at the same time. By delaying the introduction of bleach until after the washing action has started, Maytag preserves the full effectiveness of your detergent and clothes come out sparkling clean, white, and color bright, wash after wash.

No bleach damage to clothes. By providing automatic dilution and properly timed injection, Maytag prevents heavy concentrations of bleach from coming in

contact with clothes. Gone forever are the holes in clothes, the weakened fibres, the uneven bleaching associated with strong liquid bleaches.

Trapani Edges Into Top Slot in League

Moore's Trapani 10 rolled Youth Center Tuesday night to give them the top spot in Softball league play.

On Tuesday night's card 20-6 trouncing REA handed to the KC's. Last Thursday blacked KC's 11-4 threatening skies. The game, between Youth Center C and S was rained out. Night's games between Trapani, Regal and Steffels.

REA also were rained out leaving the league with three makeup games to play. Rain is plaguing the Georgi bunch, as a win over Regal would have preserved their tie with Trapani's for first.

In the standings, Trapani's jumps over Georgi's for first place, leaving Georgi's in second for the first time during the season. C and S remains in third, but closely followed by a gaining Southern Realty. REA pulled above Youth Center and is tied with Regal for fifth. Youth Center dropped this week to seventh and is followed by an eighth place Steffels. KC's remain in the cellar position. Opening tonight's play will be Trapani's vs. Regal and Southern Realty vs. C and S. Happy Mahfouz' Youth Leaguers will play Kiln Little League in an exhibition round before softball game time tonight on the Carroll Ave. field.

Friday night slates Bea Georgi's vs. Regal and Steffels vs. REA. Tuesday night will see Regal vs. Southern Realty and C and S vs. REA.

Rutherford Gets Service Cup at Legion Ceremonies

Sidney Albert Johnson III, 9th District Commander from Pascagoula and Mrs. J. P. Foley, 9th District President presided over a joint installation of American Legion and Auxiliary officers at the Clement H. Bontemps Post 139 Thursday night.

Legion officers installed by Johnson were Warren Buehler, commander; Rogers Reinike, first vice commander; Gilbert Cayan, second vice commander; Eddie Murtagh, adjutant; Andy Becker, financial officer; Joe Benvenuti, chaplain; Lucien Kidd, judge advocate; Philip Hayes, historian; Eugene Monti, sergeant at arms; Felix Seeger, Frank Taconi, color guards; Laurence Dickson, Ed Arceneaux and Gerald Price, trustees; Al Summy, Al Vetter, Fred Fayard and Lucas Pucheu Jr., executive board members.

Mrs. Foley's installation for the Auxiliary included Mrs. Gilbert Gavan, president; Mrs. Rogers Reinike, first vice president; Mrs. A. J. Pitalo Jr., second vice president; Mrs. James Pfeiffer, secretary; Mrs. C. J. Piazza, treasurer; Mrs. Rene Bernhardt, chaplain; Mrs. John Rutherford Jr., historian; and Mrs. Warren Buehler, sergeant at arms.

In taking the oath, Mrs. Gavan expressed her appreciation to the group and accepted the gavel with high hopes for another outstanding year. Retiring president Mrs. Henry Prevou gave a brief resume of the year's work and expressed her appreciation to all who helped make it such a successful one.

John Rutherford Jr. received the W. Reinike Service Cup for outstanding work in the Legion from June 1958 to June 1959. The cup was presented by Rogers Reinike, son of the cup's initiator, W. Reinike.

Legionnaires from out of town attending the installation included Mrs. Sidney Albert Johnson III, Pascagoula; National Executive Committeeman J. W. Summerall and Mrs. Summerall of Gulfport and Mrs. W. F. Pieri, department rehabilitation chairman of Biloxi.

A buffet supper was served to the large group at the close of the joint installation.

The Male Animal, the first play presented by the local theater group, was given in May, 1946.

Six Cast for Male Animal

Cast to date in the Little Theater's coming production, The Male Animal, are Ann McCutcheon, Teddy Stechman, Bay Chamberlain, Barbara Shippey, Catherine Matherne and Joan Van Buren, announced Mrs. Lloyd Griffith, publicity chairman, this week.

She said there are still several parts to be filled, particularly calling for men between 35-50 years old to play college professors in the three-act play. Mrs. Griffith said prompters, set men, and people to handle props, lighting, make-up and other chores on the set are needed. People interested in parts or set jobs should contact Mrs. John Husband.

The Male Animal, the first play presented by the local theater group, was given in May, 1946.

NOTICE

Now under construction and soon to be completed, located on Dunbar Avenue, Bay St. Louis, is a modern air-conditioned fully equipped 30 bed hospital. This will afford all the people of Hancock County the opportunity of having the best in medical attention and hospital care right here at home.

The people of Beat 5 can thank their Supervisor, R. G. "Manny" Hubbard for this. It was largely through his efforts and his courageous leadership in the Board of Supervisors that this was accomplished. This is but one of many important projects accomplished during his term of office.

The people of Hancock County, and more especially the people of Beat 5, need and deserve the honesty, integrity and economic ability that "Manny" Hubbard can give them as supervisor.

If it is your duty to vote for the man you think best qualified for the office. It is our recommendation that you re-elect R. G. "Manny" Hubbard.

POLITICS: Your Candidates on August 4

Senator R. Holladay

Reared at Rapidan, Va., attended from Hampton College in 1938; fifth son of Mr. and Mrs. H. T. Holladay; assistant airport manager at Charlotte, N. C.; discharged in 1945.

good, not for profit, but to earn my free and Christian place in this world.

Others running are: Quinlan Lott, W. L. (Pic) Moseley, C. E. Rouse and Charles Donald Wahl.

Representative Walter J. Phillips

Reared in Bay St. Louis and attended Bay High School. Graduated as Valedictorian of Class of 1939; Attended the University of the South at Sewanee, Tenn., and then the University of Mississippi where I obtained a BA and LLB degree. Enlisted as a private in the Infantry of the Army and worked my way up through ranks to 1st Lt. Served in combat as Rifle Platoon leader, was wounded and received the Purple Heart. Served in Headquarters U. S. Forces in European Theaters. Have practiced law in Bay St. Louis for 12 years. Have eight years seniority in House of Representatives.

Continue to work for better schools, including higher teacher salaries. Work for better highway system, emphasis on farm to market roads and four lane Highway 90. Increase benefits from the Welfare program. Revision of tax structure with view toward attraction of industry. Eliminate personal tax on automobile.

Also running is Clarence M. Lader.

Superintendent of Education E. E. Brelaud

I was born in North Hancock County Jan. 10, 1909. Attended Savannah High School, Pearl River Jr. College, Louisiana State University and Mississippi Southern College. Married to Beatrice Dickerson Brelaud, have four children: Marion Nell, Marilyn, Billy and Larry. Two grandchildren. Member and deacon of the First Baptist Church of Bay St. Louis. Member of County, State and National Teachers Association. Member of Bay St. Louis Rotary Club. Taught 12 years in the county schools, and serving my 12th year as county Superintendent.

of Education.

My 12 years experience as your County Superintendent of Education through the most drastic change our State has ever known in such a short period, makes me better qualified to serve you four more years. Give me a chance to prove the new program that is now in action.

Robert F. Ladner

My qualifications as a candidate for the office of County Superintendent of Education include the following: son of Mr. and Mrs. Frank Ladner of Kiln; 32 years of age; married to former Miss Dorothy Stockstill of Piquette; father of two children; overseas veteran of World War II; graduate of Kiln High School and Pearl River Junior College; Bachelor of Science Degree from Mississippi Southern College; all requirements for Master's Degree in School Administration; eight years teaching experience and four years administrative experience as Principal of Gulfview School; member of American Legion, Veterans of Foreign Wars and Rod and Gun Club.

Because of my family background, educational training, and teaching and administrative experience, I feel that I am well qualified to serve the people of Hancock County. "Education is everybody's business." I elected, I shall work with YOU to make the schools in Hancock County the best possible.

K. G. McCarty

I was born, reared and educated in Hancock County. After graduating from Sellers High School in 1927, I attended Perkinson Junior College for two years, after which I enrolled in Mississippi State College receiving a B. S. degree in 1931. After graduating, I taught school at Catahoula and Sellers High School. In 1935 I entered the race for County Superintendent of Education, was elected and served for two terms from 1936-1944. In 1953 I decided to further my education by attending summer school at Mississippi Southern College. I received a M. S. degree in School Administration in 1957.

I have a constructive plan-

from that will meet the educational needs of the children of Hancock County.

Good 4-H Clubs; constructive testing; industrial arts; scientific program to meet the needs of talented students; bookmobile; beaters on all school buses; patrol boys on all school buses; vocational program for boys and girls not interested in academic studies.

Sheriff and Tax Collector Ernest (Gator) Cuevas

Born Kiln, Mississippi, July 14, 1907, son of Frank W. Cuevas and Angeline Ladner Cuevas. Received education at Kiln public school. Married Alberta Carlton, 1926, have two daughters, Mrs. C. H. Frickie and Mrs. L. J. La Fontaine; one son, Ernest F. Cuevas Jr. Work as painter and sheetrock finisher. Wife has worked 25 years and still is employed by local hospital and has many friends in this county. I have never been in any trouble; have always obeyed the laws of our country. I believe in justice and protection for all, that the laws must be upheld.

I solicit your vote because I believe in honest government. I will show no partiality. I will have the interest of the people at heart. I am not making promises I may not be able to keep. I am an independent candidate and am obligated to no one.

Fred Curet

Hancock County native, 39 years-old married and father of 3 teenagers. Received schooling in the public and private schools of Hancock County and at PRC. A combat veteran of World War II, prisoner of war of the Japs for over three years. After receiving an honorable discharge entered training of the Miss. Highway Patrol with Highway Patrol I have received training in all types of law enforcement, investigations, public relations, first aid, rescue and many other courses that would be beneficiary to the Sheriff's Office.

I plan to streamline the operations of the Sheriff's Office by eliminating the long time-consuming methods of tax pay-

ing. I will continue to be your friend in the Sheriff's Office as I have been in the past as Your Highway Patrolman.

Nolan Ladner

I am a native of Hancock County, and 48 years old. I am married, the father of three children. My wife is the former Ethel Strahan of Pearlinton. I was educated in the public schools of Bay St. Louis, graduating at Bay High School in 1931; and have operated my own business in Bay St. Louis, since 1932. For more than 20 years I officiated as referee in most of the major basketball tournaments in this county, among the high schools, and in other tournaments throughout South Mississippi. I am at present serving as Justice of the Peace in Beat five.

Your vote for me will guarantee a clean, honest and fair administration by an experienced Peace Officer; no rackets or racketeers will be allowed to operate in the county; every person who needs my services as Sheriff will be treated courteously and served efficiently. I will appreciate your support.

Gerald V. Price

I was born Feb. 14, 1900. I attended the Edwardsville public schools and left there to go into World War I. After returning I attended Tulane Receiving School for Veterans and from there I went to Soule Business College. I am married to Lillian Sylvester, daughter of the late Howard Sylvester. We have one son, Gerald Jr., and two grand children.

I work eight hours a day at St. Joseph's Academy and campaign after work hours on my own finances. I am running on my own merits and not the demerits of my opponents.

I served the people of Hancock County for 18 years as a police officer. I answered all calls, night and day, regardless of the

weather. I took part in all civic organizations when called upon. If I'm elected there will be a deputy within radio contact 24 hours a day.

H. (Bully) Zengaring

I am a native of Hancock County and was reared in the Bayou LaCrosse community. I am the seventh son of the late Joseph A. Zengaring and Mary McArthur.

I am married to the former Mittie Maskew and we have been blessed with five children, Herbert Jr., Joyce Marie, Terri Kay, Alice Louise, and Lisa Ann. I received my education in the public schools of Hancock County and am presently employed by the county as a machine operator.

I am a member of the American Legion, Veteran of Foreign Wars, and am a member of the Gum and Rod Club.

You will receive prompt and courteous service through my office at all times.

I will be for good government. I will work for an active youth program, throughout the county. I, along with a sufficient number of uniformed-deputies, will give the people and their property protection at all times.

Others running are John A. Egloff and Welton J. Ladner.

Chancery Clerk Claiborne Ladner

I am a native of Hancock County and was reared in the Bayou LaCrosse community. I received my education in the public schools and was graduated from Bay High in 1930. I entered public work immediately following my completion of High School and was employed in the offices of the Clerk of Courts, the Tax Assessor's and in the office of the Superintendent of Education for the years prior to World War II. At the out-

break of War, I enlisted in the U. S. Army and served 42 months of which 22 months were spent overseas in the European Theater.

I have served you for the past 12 years as Tax Assessor and during that time I have endeavored to be a good public servant.

Also running is A. C. (Mitch) Mitchell.

Circuit Clerk Sylvan J. Ladner Jr.

I am 43 years old, married and have three children. I was educated in the City schools of Bay St. Louis and later St. Stanislaus College from which institution I was graduated in 1934. In 1948 I was elected to the office of City Commissioner of Bay St. Louis with a majority of the votes cast, over five opponents in the first Primary. In 1953 I was reelected over three opponents in the first Primary. In 1955 I was elected to the office of Sheriff and Tax Collector, in the second Primary, over 13 opponents.

The experience I received serving as City Commissioner for seven years and Sheriff and Tax Collector for four years helps qualify me for the position of Circuit Clerk.

I am elected to the office of Circuit Clerk the doors of my office will be open to you at all times.

Lamar Otis

I am a native of Hancock

County, born and raised at Logtown, Miss. Attended school at home. I attended Soule Business College at New Orleans where I took a course in bookkeeping and mathematics. Since that time I have had office experience of various kinds. Was secretary of Hancock County Democratic Executive Committee for a number of years. Have always been an active part in church, school, civic and fraternal work, and anything for the good of the community and state.

I am qualified by education and experience to do the work of the office of Circuit Clerk. Am capable, temperate and reliable. Always tried to live right.

Tax Assessor George Heitzmann

Forty-three years of age, a native and lifelong resident of Bay St. Louis, Miss. Educated in Bay St. Louis and graduated from St. Stanislaus College. Married to former Margaret Dabousson. We have one daughter, Marilyn, and two sons, Robert and Michael. Served for the past 12 years as deputy assessor of Hancock County; served several years as a deputy in the Chancery and Circuit Clerk's office and in the Sheriff's Office. I am qualified by experience and training. I am familiar with all of the laws pertaining to home-stead exemption; with the compiling of land rolls and making assessments.

I have based my campaign for (Cont. on Page 5A)

IMPORTANT NOTICE TO THE VOTERS

It is rumored around that one of my opponents is financing my campaign for Sheriff and Tax Collector and that I am going to drop out of the campaign at the last moment.

Ladies and gentlemen I take this means to let you know I will be in the campaign until I am elected or lose.

As I have stated before I am an independent and am financing every cent of my campaign myself.

Sincerely,
Ernest F. (Gator) Cuevas

Peripatetic Politics By P. G. Jr.

Under the common law, and still the general rule in the various states, a person closely associated with another person is not liable to testify as to the second person's reputation for telling the truth (truth and veracity), while a stranger is permitted to testify. The reason for this rule is that if you know a person well you are likely to give your own opinion of his or her character rather than the more objective general reputation.

In appraising the various candidates for local office this writer is in a position similar to the stranger, not having yet had time to develop personal prejudices in connection with the candidates. To some degree this should offset the disadvantage of his short connection with Hancock County and Beat 5.

Many long time residents of opposite views have been questioned about different candidates. In too many cases the views expressed of a candidate were either all white or all black with no grays—something we all know is unlikely if not impossible—but also a circumstance leading this writer to have more confidence in his own appraisal. Some objective candidates have been looked into.

In appraising any candidate this editor is inclined to give an incumbent a slight edge. This is for two reasons. First, an incumbent who does something almost always makes someone mad, and with so many individuals voting against rather than for, this leaves him at a disadvantage. Second and more important, if the incumbent in local offices is doing a satisfactory job—not a perfect one—it seems to us damaging to our system of government to throw him out unless for a candidate of unquestioned superior ability and integrity. Any other course would in the long run encourage most of the able and honest citizens from running for the lesser and financially unrewarding elective offices. Able and honest officeholders are needed here as well as in Washington.

Actually, because of his relatively short association with local politics, the writer would have preferred to stay clear of this subject this year, but in at least two races this paper has been made part of the issue, and by tradition the editor of a newspaper in many areas is looked to for comment on local politics, particularly at election time. So here goes.

STATE SENATOR (40th District)

There is a tradition in the 40th District calling for the state senator to be a resident of each of the three counties in rotation (a state senator cannot succeed himself). This year it is Hancock County's turn. Hancock County has three candidates, Henry W. Osoinach, Jr., James L. Mayfield and Charles Donald Wahl.

Of the other candidates, two could be a threat, notwithstanding the "gentlemen's agreement"—Charles R. Holladay and Quintman Lott. Candidate Lott has more political experience than the others and appears a good campaigner. Candidate Holladay is a lawyer, in some respects more polished and with better formal education than any of the candidates, but somehow reminds us of the under-sized campaign cards handed out—small.

Candidate Wahl, a relative newcomer to this area, has a good reputation for integrity and ability, but few know much about him. Candidate Mayfield must be a man of ability or he could not hold his position as pilot with a major airline. Beyond that, except to his personal friends, this area can know little of him, if only because of his job, which keeps him away much of the time.

Candidate Osoinach has shown himself to be a civic minded and energetic individual. Able and honest, a possible falling, indicated by his business, might be lack of progressiveness at a time when that attribute is needed.

There appears to us no reason, other than one based on personal likes or dislikes, for the voters of Hancock County to vote for anyone except Henry Osoinach.

HOUSE OF REPRESENTATIVES, HANCOCK COUNTY

On this race the business manager disagrees with the editor, but this column being of editorial nature the editor wins. By reputation Candidates Walter J. Phillips and Clarence M. Lader have been about equally remiss in some respects, but in both abstract ability and in experience Phillips is notably ahead. Notwithstanding that Phillips and his associates financially support this paper's competitor, we feel Walter James should be re-elected unless because of legislation he has opposed or supported in the past and with which we are not familiar.

SUPERINTENDENT OF EDUCATION

Of the candidates in this race, this editor knows too little to make any confident statement concerning them personally. One or two observations might be in order anyway. As the incumbent, Mr. E. E. Breland has had to make decisions. Any decision displeases someone, but without them an officeholder does nothing. Some of these decisions have been in connection with North Central High School. Most of those we have heard oppose Breland did so for that reason and not because they felt one of his opponents was the better man. At best this is a negative way of voting; at worst it is the reasoning of special interest voting such as is attributed to unions, NAACP and others, and is conducive to the election of wishy-washy demagogic candidates.

Vote for the man you think will make the best Superintendent of Education during the next four years.

CHANCERY CLERK

In this race the voters appear to be fortunate in having two able and experienced men running. Because of his present position this paper has had more contact in getting news from Court Clerk A. C. Mitchell than from his opponent, Tax Assessor Claiborne Lader. Generally, Mr. Mitchell has been cooperative and the records we have reason to see are kept satisfactorily. We have no reason to think that similar contact with Mr. Lader would produce different results. His years as tax assessor would indicate similar ability.

Because his experience is directly in line with the office for which he is running rather than just very similar, and because he is basically running for reelection, though the name of the office is changed, in our minds Mitchell should be given an edge.

At least the voters have a reasonable choice.

CIRCUIT CLERK

A contest somewhat like that for Chancery Clerk is involved in the race for Circuit Clerk. There is one major difference. Candidate Lamar Otis is not an elected officeholder, and, except for the not-so-admirable factional politics for which Hancock County is noted, we can't understand why he is running. But that's his business, and his experience certainly indicates that he could handle the job.

More than any other county office that of sheriff can make enemies if honestly and properly carried out, and the better job that is done the more likelihood of making enemies. As sheriff, Candidate Sylvan J. Lader Jr., seems to us to have done an above average job for Hancock County, notwithstanding that he, like many of us, is considered by some to be hot-headed and stubborn.

Whether Mr. Lader can do a better job as Circuit Clerk than Mr. Otis no one knows, but, in line with our belief that only by re-electing satisfactory county officials can you get good men

to take on a political career, we strongly recommend that Mr. Sylvan Lader be elected Circuit Clerk.

SHERIFF AND TAX COLLECTOR

In the campaigning for this office all the candidates emphasize the sheriff side of this job, although that office is financed through the fees collected by virtue of being tax collector. Nevertheless, the fees collected by the voters are, and should be, primarily interested in the qualifications of the seven candidates for sheriff. Employees of the sheriff must, of necessity, do most of the clerical work involved in collecting taxes.

Two primary qualifications for the job of sheriff are that the individual be a good "police" officer and that he be honest. The latter is particularly true for Hancock County in view of local customs relative to alcoholic beverages and the County's past record. The first time this writer ever heard of Hancock County as such, he was 900 miles away and the news story dealt with the conviction for a felony of three deputy sheriffs. Other obvious qualifications, needed by the sheriff are the abilities to choose able deputies, use them properly and train them if such is needed.

The past record of two of the candidates indicate that at an earlier time they lacked one or more of the above qualifications, although Candidate Walton J. Lader in other respects might make a good sheriff. However, he could be subject to pressures and the risk is too great.

Candidate Ernest Cuevas seems to be an honest, likeable and sincere person. Within his capabilities and experience he would do his best to make a fine sheriff for the county, but he is lacking in law enforcement experience and in the experience of handling others.

Candidate Nolan S. Lader is another generally credited with a very high degree of honesty. While without actual law enforcement experience he has had the experience of Justice of the Peace, with at least its contact with law enforcement.

Our Predictions ..

See us August 5th.

Candidate Gerald V. Price Sr., is accredited by friend and foe as a darn good "police" officer. Some of his acts in the past may be shady, as many think. Perhaps he hasn't changed, if change is needed, but this writer feels a chance could be taken in him. As an individual enforcing the law, he is probably the best.

H. Zengarleng, above about everybody else, is presently noted for honesty and integrity and no strings attached. While without actual experience leading to the job of sheriff he gives the impression he would put up with no foolishness from the public or his deputies. He could make a fine sheriff.

Candidate Fred Curet has had experience in law enforcement. In a sense he had it in the Marine Corps. As a State Highway Safety Patrolman he has had it. As a businessman he didn't do too good, nor too bad. He has no actual blemish on his career. Above the other candidates his background indicates the ability to train his deputies (in honest work).

The voters will be fortunate if the second primary, assuming there will be one, is between two of the following candidates: Price, Curet, Zengarleng and perhaps Nolan Lader.

TAX ASSESSOR

Probably more than in any other local race, the race for tax assessor has the more evenly qualified candidates. At least three strike us as being well qualified and Candidate Francis W. Lee may also be well qualified. Since a second primary seems certain, this writer is withholding any comment beyond the fact that Mr. George E. Heltzmann has been deputy tax assessor for 12 years.

CORNER AND RANGER

Frankly we don't know anything about either candidate. Both are probably fine. Mr. Emile G. Piazza is the incumbent.

BOARD OF SUPERVISORS, BEAT 5

Reading this paper and the advertisements of the various candidates for Supervisor, Beat 5, would lead a stranger to think this office had a requirement that the holder be a civil engineer. Not only is such not true, but NO candidate for the office has even a remote relationship to a civil engineer. One says he is a highway MAN. Highwayman, according to the dictionary, means one who robs others on the highway. It is not likely that that is what the candidate meant. Another says he is an "operating engineer". This term is one foisted by various unions and without qualification could accurately mean that he knows how to "operate" one or more of types of equipment used in construction. It could just as well mean he knows how to use a hand shovel or a rake.

While the roads in his district occupy a big part of a supervisor's time as supervisor—and in non-populous districts improper use of funds designated for roads can almost insure reelection—technical knowledge on roads or drainage or similar engineering problems is NO part of his job. There is a county engineer, pre-

Hancock Spent \$2 Million on Foreign Aid

Hancock County taxpayers have paid an estimated total of \$2,290,195 for foreign aid spending since 1945, a report by the Mississippi Economic Council State Chamber of Commerce reveals.

The MEC-State Chamber said Mississippi has paid \$338,700,000 of the over \$80.5 billion foreign aid grants since 1945. The state figure is arrived at by applying the federal tax share of .42 per cent - to the nation's total. This country is estimated to pay .68 per cent of the total state tax bill.

The MEC, taking no position on foreign aid spending, further estimates that "much fat" can be cut from the proposed foreign aid budget now being debated in Congress.

The administration is proposing that \$3.9 billion be appropriated in fiscal 1960. Mississippi's share of this would be \$16,380,000, using the .42 per cent economic index, while this country's share would be \$110,756. If Congress cuts the proposed budget by 21.8 per cent, the average cut made on foreign aid requests for the past six years, the state will save \$3,599,400.

Pair Fined After Accident Sunday

Two men were fined in Mayor's Court Monday morning as a result of an accident Sunday at the intersection of Esterbrook and St. Francis Streets.

Harold S. Hill, Guilford pleaded guilty to speeding and was fined \$5. Robert J. Smith, New Orleans, Negro, pleaded guilty to speeding and reckless driving and was fined \$10.

The accident occurred when Hill, crossing the intersection on St. Francis, was struck on the left rear fender by Smith, traveling west on Esterbrook. Damage to Smith's car was estimated at \$300 and to Hill's, \$250.

ARTHUR (Pat)

GARCIA

ANNOUNCES FOR CONSTABLE

BEAT 5

TO THE QUALIFIED ELECTORS OF BEAT NO. 5, HANCOCK COUNTY, MISSISSIPPI: I wish to take this means of announcing my candidacy for the office of Constable, Beat No. 5, Hancock County.

From 1949 until several weeks ago I was employed as a police officer for the City of Bay St. Louis. I was granted a temporary leave from that position in order to make the campaign for the office which I am seeking. From 1942 until 1949 I was employed by the City of Bay St. Louis and served as city fireman. Prior to the year 1942 I was employed in various activities in Bay St. Louis. It can be seen, therefore, that I have been a lifelong resident of this community.

It is my belief that my police experience during the past ten years gives me quite a bit of experience in law enforcement and has enabled me to have a most complete knowledge and understanding of the problems of this section of our County.

If elected to this office it is my intention to devote my entire time to your service and protection. I have no intention of engaging in any other activity or activities. I will be at your call for a total of twenty-four hours each day.

Respectfully submitted,
ARTHUR (PAT) GARCIA

PHILLIPS ANNOUNCES RE-ELECTION AS REPRESENTATIVE

TO THE VOTERS OF HANCOCK COUNTY:

I would, again, like to take this means of making my formal announcement for re-election to the office of Representative from Hancock County.

To the vast majority of the people of this County I feel that I need not outline my personal history and qualifications, however, for those of you who might not be familiar with me I will give a brief outline of my background.

I was reared in Bay St. Louis and attended Bay Central School and graduated in the year 1939 as Valedictorian of my class. I attended the University of the South at Sewanee, Tennessee, and then the University of Mississippi. I obtained a BA and LL.B. degree at the University of Mississippi. I enlisted as a private in the Infantry of the U. S. Army and worked my way up through the ranks to the rank of 1st Lt.

I served in combat as an Infantry Rifle Platoon Leader, was wounded and received the Purple Heart. After hostilities ceased I served in the Headquarters of the U. S. Force in the European Theatre. Since June of 1947 I have been engaged in the practice of law in Bay St. Louis.

I submit the foregoing as my basic qualifications for the office I seek. In addition thereto the voters of this County have seen fit to elect me twice to the office of Representative, thereby giving me eight years of seniority in the House of Representatives. Those of you who have followed the National Congress recognize the great value of seniority in legislative positions and realize that the South has maintained a strong position in Congress because the people have sent their Representatives and Senators back time and time again.

Seniority also means a great deal in the Legislature of the State of Mississippi. You, as voters, have eight years invested in me, as your Representative, and I submit that your investment in seniority should be

protected for you for as long as possible. Through this means I have the best of the people of Hancock County re-elected. I feel that I have a better chance of including more teachers, must also be proving myself as a public official. I feel that I have a better chance of including more teachers, must also be proving myself as a public official. I feel that I have a better chance of including more teachers, must also be proving myself as a public official.

In addition to the many other things which are important to the people of this County, I feel that I have a better chance of including more teachers, must also be proving myself as a public official.

L & N WANTS TO CONTINUE COMMUTER SERVICE BETWEEN NEW ORLEANS AND PASS CHRISTIAN

Whether we can or not depends on you

There's been a lot of talk about railroads not wanting passenger business. As far as we're concerned, it's nonsense. L & N has always provided safe, comfortable, economical passenger service to the people of the South, and wants to continue to do so.

We particularly want to continue the commuter service between New Orleans and Pass Christian, but whether this service can be continued depends upon increased patronage and revenues. The convenient schedules of L & N passenger trains No. 9 and No. 12 are shown below. On these comfortable, air-conditioned trains, you arrive in New Orleans in the morning fresh and ready for your day's activities... and return home at night, rested and relaxed. Why not try this service?

Miss Larkin and Mr. Gex Speak Vows at Metairie

Mr. and Mrs. Gerald Calhoun Gex, married Saturday at Metairie, are honeymooning in the Smoky Mountains before returning to Bay St. Louis to make their home at 1 Breath's Lane.

The bride is the former Miss Jill Lee Larkin, daughter of Mr. and Mrs. Thomas Patrick Larkin Jr. of Metairie and the groom's parents are Mr. and Mrs. Lucien Marion Gex of Bay St. Louis.

St. Catherine of Siena Church was decorated with bouquets of ice blue stock and gladioli for the wedding at 10 a.m. Saturday with the Rev. Edward Shields, S. J., as celebrant.

Escorted by her father, the bride was attired in ice blue satin trimmed with Alencon lace, the

decolletage enhanced with seed pearls in the palest shade of blue. Her veil of silk illusion fell from a crown of pearls and she carried a bouquet of ice blue lilies of the valley and fleurs d'amour and centered with a white orchid.

Mrs. T. J. Barrett Jr. was matron of honor with the Misses Joan O'Brien, Barbara Smith and Margaret Blades, all of New Orleans, as bridesmaids. Their patio-length gowns were of yellow chiffon over matching satin. They wore crowns of yellow pearls and carried yellow roses.

The groom chose his brother, Lucien M. Gex Jr., as best man. Groomsman and ushers included Alvin Oser, Charles Bayne Dickenson of Humbleville, Ala., and Milton Cuevas, Milton Phillips Jr., Andre Arceneaux and Gerald Keifer, all of Bay St. Louis.

For the occasion, the bride's mother chose a tunic-style dress of beige Chantilly lace, a veil trimmed with tiny flowers, matching accessories and cream colored orchids at the shoulder. Mrs. Gex was in blue linen trimmed with matching marquisette, white accessories and white orchids at the shoulder.

The bride's parents entertained for the wedding party and immediate families with a seated luncheon afterwards at an uptown dining room.

When the couple left on their wedding trip, the bride was wearing a brown and white checkered raw silk suit with a small white satin hat, white accessories and a bouquet of white orchids.

MR. AND MRS. ROBERT L. POOLE—Their wedding was held on July 12 at Main Street Methodist Church. Mrs. Poole is the former Miss Margaret Clair Randolph of Bay St. Louis. The couple will reside in New Orleans after a Northern trip. (Photo by Fayard).

Guagliardo-Lee Vows Said

The wedding of Mr. and Mrs. Robert L. Poole was held on July 12 at Main Street Methodist Church. Mrs. Poole is the former Miss Margaret Clair Randolph of Bay St. Louis. The couple will reside in New Orleans after a Northern trip. (Photo by Fayard).

The bride is the former Miss Barbara Asher, daughter of Mr. and Mrs. Joseph Asher and the late Mrs. Asher.

The groom is the son of Mrs. L. Lee of New Orleans and the late Samuel Guagliardo. The wedding was officiated by Rev. Kevin Reid officiated the ceremony in the presence of immediate families.

The bride wore a dark blue jersey dress, fashioned in lace bodice. Her hat and shoes were white and she carried a bouquet of white carnations at the altar.

The reception followed at the bride's home, 335 Main St., where tables were decked with pink and white flowers and fern. Pink punch was served and the three-tiered white cake was decorated with pink buds.

Assisting in serving were the bride's daughters, Mrs. Floyd Bates of Biloxi and Mrs. John Bates of Jackson, and her niece, Carver Lemon of Bay St. Louis.

Mr. and Mrs. Guagliardo will have their home here where she operates Bay Shoe Store on Railroad Avenue and he is on maintenance staff at Gulf View.

Among those from out of town attending the festivities were Mr. Warren Russell, Mrs. Lolacano, Huey Guagliardo, Nancy Santilite, all of Orleans; Mr. and Mrs. F.

R. Hughes of Biloxi, Mr. and Mrs. Johnny B. Levens of Jackson, Mr. and Mrs. Carver of Pass Christian, Mr. and Mrs. Russell Mitchell of Pearl River, Mrs. J. H. Thornton, Mrs. P. T. Falcon and daughter, Alice, Mr. and Mrs. Achille Lolacano, all of Port Arthur, Tex.; Mr. and Mrs. George T. Spiers and daughter, and Mr. and Mrs. Alphonse Ladner, all of Piquette.

Miss Mallinni is betrothed

Of interest locally where the bride-elect was educated is the announcement by Mr. and Mrs. James L. Mallinni of Henderson Point of the engagement of their daughter, Martha Marie, to Gene Joseph Rogers, son of Mr. and Mrs. Alphonse Ladner and the late Joseph Rogers of Pass Christian. The wedding is to take place at 3 p.m. Aug. 9 at St. Paul's Catholic Church, Pass Christian.

Miss Mallinni was graduated from St. Joseph's Academy and is now with an oil company. Her fiancé is a graduate of St. Joseph School, Pass Christian, attended Lamar State College of Technology in Texas and is a junior at Mississippi Southern College where he is a member of Sigma Phi Epsilon.

Hospitality on the Highway...

In the service he gives, as in the products he sells, your Phillips 66 Dealer believes "It's performance that counts!"

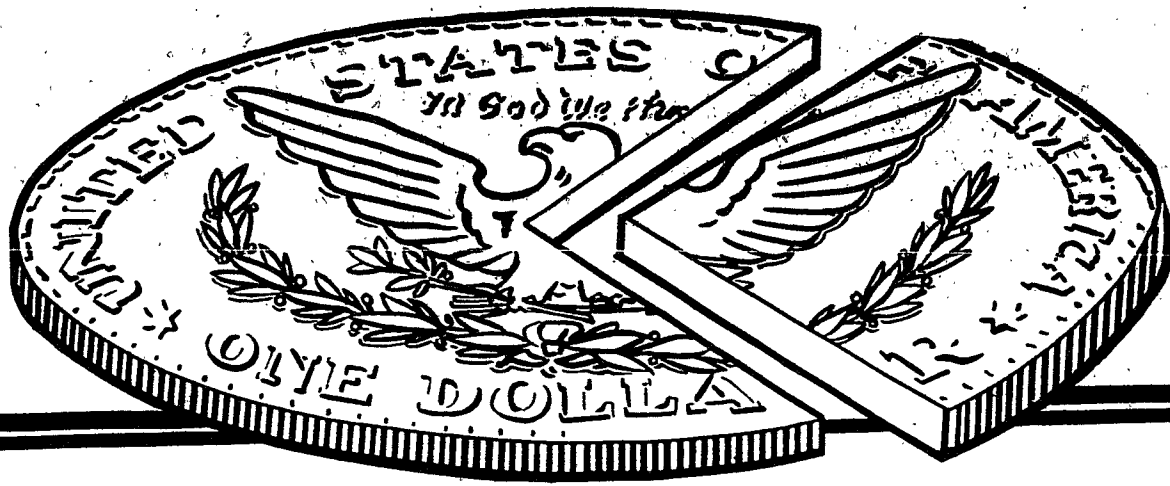

Wherever you travel by car this summer, you'll find friendliness and helpfulness at stations which display the Phillips 66 Shield. You'll find that Phillips 66 Dealers will take an interest in your car. They'll check the oil level, battery and radiator. They'll be glad to test your tires, and even brush out inside your car. Their thorough way of doing things, whether it's a windshield clean-up or a chassis lubrication, will make your trip more pleasant. Most of all, you'll like the performance of those great motor fuels, Phillips 66 Gasoline and Phillips 66 Flite-Fuel. We think you'll agree that Phillips 66 service and products are in a class by themselves.

ly qualified as no candidate is, to advise on this aspect of work. A member of the board of supervisors has a much broader job than an engineer, civil or operating, railroad or rake. He decisions that are not mathematically (or by experience) determinable. In other words, judgment, not technical skills, is his primary requisite.

Candidate M. D. Rutherford is a popular person. His brother, who this writer has had some contact, would be our best bet for voting for Candidate Rutherford for supervisor. Candidate Rutherford makes no pretense of having the type of experience most needed by a supervisor.

Candidate Fred J. Bourgeois does, or has done, a good job as collector for Waveland. As marshal for Waveland many, with exception, think he leaves much to be desired. Likeable he is, no experience giving any indication, one way or another, that he could be considered material for a supervisor.

Candidate Gordon Courge is a man anyone would like to know. In a responsible position for the L and N Railroad he has recently done superior work. This writer likes him and would like to know him better. While less qualified people have held the office he is running for, he has no background of experience in that position.

Candidate Earl Ramond has had experience that could be of use as a supervisor. In running a business he makes "value" decisions daily. Whether he makes proper decisions is his business. A supervisor it is the public's business.

Candidate R. C. Hubbard has had experience in making decisions at his business and, as a supervisor, experience in making decisions about the public's business. In fact, he has had more experience in both fields than any of the candidates. Undoubtedly he has made decisions, both personal and public in nature. Who is a supervisor this writer feels that in a small degree is a defeatist when it comes to making an effort to attract business to this area, whether industrial or others with year-round payrolls. In all other respects he has so far been an able, aggressive and honest supervisor.

Candidate August J. Scalfidi has not had the responsibility of making decisions dealing with the public's money or desires. He had experience in making "value" judgments and decisions dealing with his own personal business. In the latter he obviously made good decisions, as have Mr. Hubbard and Mr. Ramond. Wardly at least he has more drive, more imagination and is more "progressive" than his opponents with successful business experience. As a supervisor this could be good for the community. It could just as well be bad.

The other candidates may all be fine men—such is assumed. They have no background of experience that makes them major competitors for your vote for board of supervisors, and at least one of them have shown poor taste, a kind of wishy-washy commitment, in their campaign. One, it is in part responsible for a column, since the writer had formerly hoped this year to stay of local political issues.

To sum up, this writer feels there are two candidates qualified to above their opponents, Hubbard and Scalfidi. (Mr. Ramond shows just doesn't seem to be in quite the same category.) He both are businessmen, a farmer also makes "value" judgments to people in other occupations. The other opponents just don't make those "other" occupations.

If only one of them Hubbard or Scalfidi, were running it would be much sweat on this writer's part and save any, who read this, paragraph or two of reading. To an editor who has made a diligent sincere attempt to present to this paper's readers an honest and fair appraisal of most of the candidates for county office, the writer's decision in this case is both easy and hard. It is hard because an able and honest man must lose. It is easy because there are two able and honest candidates with some experience of value to the office.

This paper hopes more people like Mr. Scalfidi will run for office, but the phrase "try the untried", only in a limited sense applicable to Mr. Scalfidi, who has been "tried" business-wise not found wanting, has little, if any, merit.

There are two reasons this paper hopes Mr. Hubbard will be elected to office as a member of the Board of Supervisors of Hancock County. One deals with political tactics that this paper has approach below the belt, though practical, method of trying to beat a candidate you think will win. So many candidates the office of supervisor have made Mr. Hubbard their only target. He criticized him and no other opponent, have pitched their plea relation to petty complaints against the incumbent that one can think Mr. Hubbard is a menace or the best candidate.

The other reason this writer thinks Mr. Hubbard should be elected is that he thinks Mr. Hubbard has done more than a satisfactory job and an honest job, intellectually as well as formally, doesn't think he should be replaced even by an equally able and test opponent. In any event, if Mr. Scalfidi should be the winner, writer thinks Beat 5 will be ably represented, but hopes, for effect on the future incumbents and candidates that Mr. Hubbard win. If it's in the first primary it will save everybody money.

BOARD OF SUPERVISORS, BEAT 1, 2, 3 and 4

Perhaps the contests for members of the Board of Supervisors the beats in Hancock County, other than Beat 5, are as provocative thoughts as in Beat 5. Time, that ruler of all, has not permitted a surface study by this paper of the candidates for those offices. General, contacts and impressions formed at the meetings of the Board of Supervisors indicate that Hancock County has a pretty good governing body, with which this writer frequently disagrees. This paper hopes they are reelected, particularly Candidates Rites Russ Jr., although one could wish for a more affirmative easier-to-put-your-finger-on president of the board than Candidate Jack Lott.

UNSTABLE, BEAT 5

This writer is so opposed to there being an office of Constable the fee system, that he just refuses to be for anyone even though voters will elect one for each beat. He's just against all of it (not personally) and maybe wishes he were constable of Beat 1, enter proposition than a license to steal. Vote for a person you think is honest in ALL respects, and look to past performance in same or similar jobs.

Time, space and patience ran out. Any comment on the Justice of Peace races will have to wait until next week. Enough enemies have been made already.

DID YOU KNOW!

R. G. "MANNY" HUBBARD

Eight years ago I promised you that I would "conduct my office as Supervisor as I do my business, being conscientious, honest and untiring in my efforts to serve the public." THIS I HAVE DONE! One of the accomplishments during my 7 years as your Supervisor is the amount we have paid on the Seawall Bond Issue, which has been the topic of discussion for many years.

Many of you have no idea of the original amount of the Issue, how much has been paid on it, or how much is still due. Not at any time since I have been on the Board of Supervisors have we missed a payment.

The original bond issue for the construction of the Seawall was issued November 1, 1926 in the amount of \$1,250,000.00 (One million, two hundred fifty thousand dollars.)

From 1926 to 1952 (twenty-six years), the Board of Supervisors paid on this issue approximately \$233,000.00. (Two hundred thirty-three thousand dollars.)

From 1952 to 1959 (seven years), since I have been a member of the Board, we have paid approximately \$592,000.00 (Five hundred ninety-two thousand dollars.)

Total Seawall Bond Issue	\$1,250,000.00
Paid in 26 years	233,000.00
PAID IN LAST 7 YEARS	592,000.00
Balance	425,000.00

This proves, as I have said many times, "If a man in Public Office works for the PEOPLE and the COMMUNITY unselfishly and with no thought of PERSONAL gain, THE RESULTS ARE BOUND TO BE BENEFICIAL TO ALL!"

As you think about the Seawall Bond Issue, I'm sure you will agree "The future of your County depends on your selection of its officials."

THINK CAREFULLY! SELECT WISELY!

CANDIDATE FOR

JUSTICE OF THE PEACE

BEAT 5

The State Legislature, on numerous occasions, has attempted to abolish the office of Justice of the Peace throughout the State, claiming untold numbers of visitors and tourists have been given heavy, unjust and unnecessary fines by unqualified, insincere Justices of the Peace, solely for the fees and costs they derive. It is also the claim of some legislators that this practice has discouraged many potential visitors and citizens into our State, and particularly along the Gulf Coast area.

Insomuch as the office of Justice of the Peace will continue to exist, the public should place more emphasis on the importance of this office in a community and be very careful in the type and calibre of officer they elect. A Justice of the Peace should be an asset to a community and not a liability.

I pledge to work with the Chamber of Commerce, Rotary Club, American Legion, V.F.W., and all other civic organizations and elected officials to make our community more desirable to visitors and tourists.

Through my education and background, I am in a position to, and will operate my Justice of the Peace Court on a much higher plane as a Court of Honor and equal Justice.

Sealed proposals will be received by the Board of Supervisors of Hancock County, Mississippi, at the office of said Board in the Court House in Bay St. Louis, Mississippi, until the hour of 11:00 o'clock A. M. on MONDAY, the 27th day of JULY, 1959, at which time said bids will be publicly opened for the purchase, at not less than par and accrued interest, of the above bonds of said County.

Said bonds are to bear date of September 1, 1959, are to be of the denomination of \$1,000 each, and shall bear interest at a rate or rates to be determined pursuant to sale of said bonds, payable December 1, 1959, and semi-annually thereafter on June 1 and December 1 in each year.

Both principal of and interest on said bonds will be payable at a place to be designated by the Board of Supervisors, and said bonds shall mature serially, without option of prior payment, on June 1 in each of the years as follows:

\$6,000 in 1960

\$7,000 in each of the years 1961 through 1966

\$9,000 in each of the years 1967 through 1969

Bidders are requested to designate in their bids the price they will pay for bonds bearing interest at a rate or rates likewise to be designated in their bids; provided, however, that all bonds of the same maturity shall bear interest at the same rate, which shall be a multiple of one-eighth of one per centum (1/8 of 1%).

Proposals should be addressed to the Board of Supervisors, should be plainly marked "Proposal for Hospital Bonds," and should be filed with the Clerk of the Board on or prior to the date and hour hereinabove named. Each bid must be accompanied by a cashier's check, certified check, or exchange, payable to Hancock County, Mississippi, issued or certified by a bank located in the State of Mississippi, in the amount of One Thousand, Five Hundred Dollars (\$1,500), as a guarantee that the bidder will carry out his contract and purchase the bonds if his bid is accepted. If the successful bidder fails to purchase the bonds pursuant to his bid and contract, the amount of such good faith check shall be retained by the County as liquidated damages for such failure.

The Board of Supervisors reserves the right to reject any or all bids.

These bonds are offered subject to the unqualified approval of the legality thereof by the law firm of Charles E. Truett, Jr., of St. Louis, Missouri. The County will pay the legal fees and will pay for the printing of the bonds and the cost of the validation of said bonds. Delivery of the bonds will be made to the purchaser within sixty days after the date of sale, at a place to be designated by the purchaser, and without cost to the purchaser.

By order of the Board of Supervisors of Hancock County, Mississippi, this 20th day of July 1959.

A. C. MITCHELL, Clerk of the Board of Supervisors (SEALS)

C. E. Rouse Candidate For State Senator

40th District

To My Friends and Fellow Citizens Of Hancock, Lamar, and Pearl River Counties:

I wish to take this opportunity to announce that I am a candidate for State Senator from the 40th Senatorial District subject to the will of the people in the forthcoming Democratic primaries.

I am indeed grateful for the many kind words of encouragement, the inspiring expressions of confidence, and the firm offers of support which I have received from the people of Hancock, Lamar, and Pearl River Counties in furtherance of my ambition to serve the people of this district in the Mississippi State Senate.

The founders of our government through their wisdom, saw fit to divide the government into the legislative, executive and judicial branches. It was their intention that these branches should operate as a system of checks and balances. Each branch should serve the people, and no possible mistake by the other branches. As additional protection, each branch of our government is limited in its powers by the national and state constitutions. Our constitutions can be amended only by action of the people in an open and free election.

The legislative branch of our government constitutes the very foundation of our system of representative democracy, or government by the people. This places the office of State Senator among the most important offices in the government. It is a position of trust and responsibility. In these troublesome and agitated times, events have demonstrated that the immediate future for the people of Mississippi will be a period in which our state government must be manned by the best qualified men and women offering themselves for public office.

In offering my candidacy for State Senator from this district, I do so humbly and prayerfully because I am fully mindful of the grave duties and the sacred responsibilities of this office. I believe that by reason of my temperament, maturity, moral character, education, training and life experience, I am properly to render honorable, dignified, and outstanding service to the people of Hancock, Lamar, and Pearl River Counties as well as to the people of the State of Mississippi.

In order to assist you in your choice of the person best qualified to represent you in this important office, and in the spirit of humility, the following facts are offered: I was born at Baxterville (Lamar County), Mississippi in 1903. I was reared by the kind-hearted people of South Mississippi. I became a member of Clear Creek Baptist Church at an early age, but I have transferred my membership to Juniper Grove Baptist Church. I labored hard and against adverse circumstances in trying to obtain an education for myself.

I received my early schooling in the public schools of Lamar and Pearl River Counties. I finished high school at Pearl River County A.H.S. I finished Pearl River Junior College in 1927, and received my degree in Rural Education from Mississippi State University in 1930. Since graduation, I have continued with my school endeavors, averaging about one summer in college out of each four years for the past 28 years. I now have a total of more than six years of college training from four different colleges and universities. I have had special courses in national, state, and county government under the supervision of Dr. A. B. Butts, a former head of Mississippi State University.

I am married and the father of four children. We have two boys and two girls ranging in ages from five years to 27 years. I have lived in Baxterville, Purvis, Lumberton and Savannah school districts, and for the past nine years we have maintained our home at 1022 South Maxwell Street in Poplarville. For additional information regarding my personal life, I invite you to inquire about me among the people of these areas.

I have had 26 years of experience as a public school teacher. Having served as an agricultural teacher in Baxterville High School, in Savannah High School, and in Pearl River Junior College, I have served as principal of Columbia Training School. For the past two years I have served as principal and as science and math teacher in Home High School of Stone County. I was employed for one year by James Spencer and Son Construction Company in constructing Highway 11 from Lumberton to Poplarville in 1937. In the short period with them, I advanced from the classification of common laborer to that of construction foreman and on to bookkeeper. I have worked as a common laborer for Pearl River Hammer Company of Poplarville. Through my work experience I have become familiar with many of the problems confronting the people of Mississippi today in their various walks of life.

As I launch into this campaign, I feel that the people of this district should be acquainted with my basic principles and political beliefs. I believe that honesty, integrity, and a firm faith in God are essential foundations on which our governmental structure must be based. Your state senator is your public relations officer acting in your behalf. I believe that he should at all times and in all places, should be such that would merit the respect, the confidence, and the admiration of his colleagues and reflect good credit upon the district he represents. He should be a person who wishes to steer and not one that is satisfied to drift. He should keep his constituents properly informed as to his legislative program, his state agencies and possible channels for contacting him for service.

I am a firm believer in States' Rights. I believe that all possible legislation should be passed to secure our Southern way of life, our traditions, and our customs. I favor strengthening our segregation laws. I advocate stronger and more rigid laws to keep outside agitators from meddling with our internal affairs. I believe in adequate and equal representation in the legislative halls of our state based on our current population. I believe that legislation should be enacted to curb centralization of power in Jackson, leaving more responsibility to local governments and to individual counties and communities.

I believe in persistent economy in government. I would favor legislation for consolidating the large number of state agencies into a fewer number which would save tremendous state expenditures by cutting red tape and increasing efficiency.

I believe that the necessary departments of our state government must be given fair consideration and must receive the interest of the person whom you select as your state senator. Employees should receive adequate compensation for their employment, a reasonable degree of job security, a program of promotion based on merit, and fair and equitable system for retirement.

I am familiar with the problems to the employees of our municipal and county governments. Our urban areas are faced with innumerable problems caused by heavy and increased demands for municipal services. These problems will have my particular consideration. If elected to work in close harmony with municipal officials of this district as well as in close cooperation with the members of the Boards of Supervisors of Hancock, Lamar, and Pearl River counties in an effort to solve these pressing problems.

I believe in our free enterprise system. It is my opinion that our government, state and national, contribute to its preservation by un-

JACK LOTT SEEKS RE-ELECTION AS SUPERVISOR, BEAT 4

TO THE VOTERS OF BEAT 4, HANCOCK COUNTY:

In announcing my candidacy for re-election, I assure you that I will as usual, conduct my campaign upon a high level, with no criticism of my opponents. We are all home folks, well known to all.

I am now serving as President of the Board of Supervisors, being unanimously elected to that position. I am proud of the confidence placed in me, which is further assurance to you of my ability to get along with my fellow members on the Board. This high honor has come to Beat 4 for the first time within the memory of any of our citizens.

At this time I wish to express my appreciation to all citizens and to the Committee on Roads for Beat 4, for the splendid cooperation I have received in working on our road paving program. The first phase is now drawing to a conclusion, and upon completion will give us a first class black-top highway from Pearl River County line at Lee Town through Catahoula and Klinto to the Harrison County line in the Fenton Community. If you will check on the amount of work involved, in ditching, grading, building new concrete bridges and paving, you will find that you have received a great value return on dollars spent.

I order to bring to your attention the problem we have faced in Beat 4 in our road program, I submit herewith authentic County-wide information on roads and bridges, as follows:

HANCOCK COUNTY
Bridges—79
Roads, Mi.—291.60

BEAT 4
Bridges—46
Roads, Mi.—118.35

You will note from the above that Beat 4 has over half of the bridges and almost half of the roads in the entire County. This will give you some idea of the responsibility placed on your Supervisor to handle this work on one-fifth of the County Road Funds.

We have assurance from Hon. John D. Smith, Highway Commissioner, that the road from Klinto to Bay St. Louis, will be completed in a short time. Work is now being completed on right of ways and preliminary surveys by the State Highway Department. In addition to completing our road program I hope for the future to work out a plan with the State Agriculture and Industrial Board to secure some permanent industry for Beat 4. Since we now have improved highway systems, better and more adequate power facilities, many more miles of pipeline accommodations, we are now in a position to offer advantages to industry never known to Beat 4 in the past. In this connection the Board of Supervisors has already authorized a job survey for our County. With your continued cooperation and support we can put over an industrial program for our beat. Together we can work for a great future for the young people to remain at home and earn a living.

We have a great future in the promotion of improved forestry practice in cutting and growing timber. In my own business of marketing pulpwood I have practiced the best known methods of harvesting our timber crop. During the past season I planted nearly two million pine seedlings for land owners, located mostly in Beat 4. By observing my own business you are assured that I stand and work for the permanent advancement and development of our natural resources, which will increase employment for the future and benefit all our citizens.

The expansion of public utilities and the enormous growth recorded in real estate developments locally, will bring us the greatest return in tax funds ever received in Hancock County during the past four years. So we face the future in sound financial condition and with ample funds in sight for continued improvement in roads and all branches of county government that serve you.

In conclusion I ask that you allow me to continue serving you as your member on the Board of Supervisors, by voting for my re-election on August 4th.

Thanking you again, I am,

Respectfully yours,

Jack Lott
